

INVITATION

to attend the **FREE** Child Health Regional Forum

Profile Productions have been organising FREE events for Child Health Professionals for over 40 years, helping you keep up-to-date with **current issues** and challenges faced by families and parents throughout the country. The schedule for 2017 continues to deliver **quality education** on your doorstep with the added benefits of **networking** with your local colleagues and discovering what products are available to the families you support. The Child Health Regional Forum series is free to attend, relevant to your practice and an ideal opportunity to **update your learning locally**.

What do our delegates say?

'A valuable experience and learning opportunity'
Bristol

'I enjoyed networking with the other professionals and found the exhibition useful' Durham

'Speakers were excellent, and being able to relate it to a true story makes the impact even better.'
Birmingham

Obesity in Pregnancy & the Early Years

with The Weight Management Centre

Natalie Spray

Nutritionist

The Weight Management Centre

Natalie Spray is a Nutritionist who manages an adult weight management service for Why Weight Sheffield. After graduating from University of Nottingham with a First Class Honours BSc Nutrition degree in 2013, Natalie began working in the field of community weight management.

Natalie has since developed a programme called Healthy Me, Healthy Baby in Sheffield focussing on maternal health both during pregnancy and post-natal. In her spare time she enjoys running, and in 2017 completed the Virgin London Marathon for charity.
